Celebrate The Arts In Irvine

October 19, 2016

Beall Center for Art + Technology

A hub for innovation in the arts, the Beall Center for Art + Technology – located on the University of California, Irvine, campus – is where technology meets media. Here, those looking for an extraordinary artistic experience can interact with highly immersive artistic spaces. From October 1, 2016 to January 21, 2017, the center is presenting “Embodied Encounters,” a cutting-edge exhibit centered on technology and artistry. The show includes wearable artwork, and interactive spaces that change according to heart rate, breathing rate – even brainwave activity!
