# community calendar

**monday 30th**

## DANCE

**All Levels Salsa Dancing:** The Atomic Ballroom welcomes people to come by at 12:15 p.m. to cut loose during their lunch break with some salsa dancing. No partner is required, and Pepe Gonzalez will teach the class. The ballroom is at 17961 Sky Park Circle; admission is \$15. Information: 949-250-3332.

**tuesday 1st**

## YOGA

**Baby and Me Yoga:** The Center for Living Peace will host a yoga class for babies and their parents from 11 a.m. to noon. Parents are welcome to practice yoga with their children up to 3 years old while exchanging parenting tips with other participants. No yoga experience is required, and mats are provided. The center is at 4139 Campus Drive; admission requires a \$12 minimum donation. Information: 949-854-5500.

## RELIGION

**Chapel:** Concordia University will have a free chapel service from 10:30 to 11 a.m. This free service includes a sermon, choir songs and other forms of time-honored worship. The chapel is at 1530 Concordia West. Information: 1-800-229-1200.

**wednesday 2nd**

## HIKING

**Midweek hike:** A midweek hike will be from 8 a.m. to 1 p.m. in Bommer Canyon. This hike goes for 10 to 12 miles and involves multiple steep climbs and descents. Participants should come prepared with plenty of water and sturdy shoes. The hike is free but requires registration at [letsgooutside.org/activities](http://letsgooutside.org/activities). The trailhead is at 6400 Shady Canyon Drive. Information: 714-508-4792.

## ART

**'Sight and Sound':** An exhibition will be from 6 to 9 p.m. at the Beall Center for Art + Technology. This exhibit features artists who combine sound with sculpture or video to create a variety of interactions. The center is at 714 Arts Plaza at the Claire Trevor School of the Arts at UC Irvine. Information: 949-824-6206.

## SCIENCE

**Stem Cell Center Open House:** The Sue and Bill Gross Stem Cell Center at UCI will have an open house in recognition of International Stem Cell Awareness Day. Visitors will tour the facility, where center scientists will direct laboratory tours and discuss stem cell research. 1-3 p.m. The center is at 845 Health Sciences Road. Information: 949-824-9621.
